

Born and raised in Wareham, the town holds a very special place in Zoe's heart. She attended local schools and furthered her education at Southampton University receiving a degree in the Social Sciences. Growing up, Zoe was fortunate to belong to many youth organisations within Wareham. With her husband she owns and runs the successful business of AF Joy; amongst their retailing they supply the uniform and support most of the schools in our area. Zoe is a member of the Priory Church of Lady St Mary and has sung in the choir for over twenty years. Zoe hopes to engage more young people in the growth of our town and the preservation of the beautiful area in which we are fortunate to live.
