Planning and Transport Committee of 16 September 2020 (Minute 162 refers):

Resolved that the following response be recommended to full council.

'A review of the Planning System is welcomed by Wareham Town Council, along with planned changes to strengthen planning sanctions and enforcements.

We support efforts to speed up the system and to encourage the public to participate, however consideration should be given to those without access to technology.

The Town Council also supports the proposed simplification of the planning system but would like to stress the need for protection against bad planning decisions and the impact that decisions can have on neighbours.'
