90. Matters arising from the minutes of the previous meeting

Min 83 - The Operations Officer had been in touch with Dorset Council regarding traffic enforcement issues in Wareham and had arranged for the Manager of Parking Services at Dorset Council to attend the Annual Town Meeting to give a presentation and participate in a brief question and answer session. Further to this it was hoped that some of the concerns of the town may be raised and subsequently alleviated.

It was recommended that a survey of dropped curbs be requested from Dorset Council. It was suggested that in the absence of such a survey, a member of the Committee may wish to carry this out. Councillor Schofield confirmed that he would follow this up.
